

How to edit your forms for camp!

1. Log into your MyRec Account.
2. Go to your household overview.
3. Click on your child's name.
4. Scroll down to your custom form, and click "edit".
5. Review what is listed and make any changes as needed.
6. Hit the grey submit for approval button.
7. Look over the form again then hit the "accept" button.

NOTES:

- These steps will need to be repeated for multiple children.
- A member from our administrative teams needs to review the changes you submitted first, **BEFORE** the changes will be updated and reflect on your account.
