# Important TeenScape Policies & Info.

- Drop Off: Earliest Arrival Time is: 8:00 AM. Latest Arrival Time would be 10 minutes before the scheduled bus time (*please see table consisting of bus departure times at the end of the handbook*)
- Not Going To Camp: A phone call to TeenScape Director Paige Spiewak must be made at least 15 Minutes prior to the appointed departure time to inform the camp that a camper will not be attending.
- Departure Times: *All campers must be dropped off on time.* The Camp bus must depart on time to ensure on-time arrival at our destination and our venue time commitment is met. The bus will leave at the precise published departure time; if a camper is not there, the bus is not obligated to/nor will wait for that camper.
- Inclement Weather and Outdoor Trips: Changes due to weather are dependent on the type of trip and where it is located. Parents/Guardians will receive updated trip information for that specific day via email through the MyRec Website and updates will be posted on the MyRec Software Website in a bright red bar at the top of the page.
- Pick Up Times: *Traffic could affect pick-up times.* If the pick-up time is altered, all parents/guardians will be contacted by the TeenScape staff with updated times, or updates will be posted on the MyRec Software Website in a bright red bar at the top of the page. *Pick up location varies – please review the table for location sites at the end of the handbook (all weather permitting).*
- Camp Closes at 4:30PM: All campers must be picked up by 4:30PM.
- Signing Out: Each camper must be signed out with the Camp Director at the Pick Up location by 4:30pm. This is to ensure the safety of every camper and to confirm that the staff that the camper was picked up and accounted for.
- Going Home with Friends/Non-Guardians: Campers will only be released to a non-guardian if the Camp Director is notified by the parent/guardian of the camper. This *must* be in the form of a written note from the parent/guardian, or a phone call to the TeenScape Director from the Parent/Guardian.
- Allergies: If your camper has allergies and requires any medication, such as an epi-pen, the camper is solely responsible for the daily carrying and storing of the medication. TeenScape Staff will not carry nor store any camper medication. If your child has a food allergy, please notify the Southbury Parks and Recreation Department at least 2 weeks before the start of camp and make sure this is listed on your child's general form. You may also e-mail Recreation Supervisor, Lexi Polasek: parkrec5@southbury-ct.gov.
- After Camp: *If your camper has a sibling that is enrolled in the After Camp program, the TeenScape Camper may be released to the After Camp with a signed note from a parent/guardian to leave. ONLY campers with siblings enrolled in the After Camp Club are offered this service with no exceptions. After Camp has a cell phone number (see title page for details).*
- Trip Waivers: Certain trips that are attended by the TeenScape Camp require waivers from the venue. All waivers will be e-mailed out by the Recreation Supervisor, Lexi Polasek (parkrec5@southbury-ct.gov), and **MUST** be completed and submitted to the TeenScape Director before attending that destination. If waiver forms need to be completed online, confirmation of

completed online waiver forms still need to be shown to the TeenScape Director. Waiver Forms are needed for Week 1 (Brownstone on 6/26), Week 2 (Urban Air on 7/5), Week 3 (Brownstone on 7/11 and Roller Magic on 7/12), and Week 6 (Urban Air on 8/1). For information on where to find waiver forms, please visit the MyRec website, click on “General Info” and then “Policy & Forms” and scroll down to “Forms” and it is under the documents section, or you can visit this link that will take you directly to the trip waiver links and information:

[https://southburyct.myrec.com/forms/5964\\_teenscape\\_wavier\\_forms.pdf](https://southburyct.myrec.com/forms/5964_teenscape_wavier_forms.pdf)

- 2023 TeenScape Cell Phone & Behavior Policy Form: This form is located on the next page and must be reviewed with your child before coming to TeenScape. Upon registration this form will pop up, prompting you to review this form with your child, **signature pages are not required**.
- Camp General Form: This form is available online during your registration process and must be completed upon signing up and paying for the program.
- Location: Drop off and pick up for TeenScape will always be at Ballantine Park- near the playground, with the exception of bad weather/heat wave. In the event of weather conditions or other related issues where camp needs to change location, TeenScape will move to Southbury Parks and Recreation’s Building on 561 Main Street South.
- Communication Methods: Southbury Parks and Recreation will contact families by the TeenScape Cell Phone or have campers contact families in the event of location changes or the bus being late. E-mail blasts may be sent out through the MyRec Software Website. On our MyRec Software Website, alerts with changes will also be on the very top, in a red bar, of the page.
- Late Pick-up Policy: Parents/Guardians are expected to pick their child(ren) up by the end time of the camp program. Our policy is you will be charged an additional \$15 for every 15 minutes you are late, with the time rounded to the closest quarter minute. Southbury Parks and Recreation understand things happen. A 15-minute late arrival grace period will be granted for first time situations, and parents/guardians will not be charged for arriving 15 minutes late. If it is the parent/guardian’s first time and arrives 30 minutes late (or later) the 15 minute grace period will apply, but the parent will still be charged \$15 (instead of \$30) in the situation of arriving 30 minutes late.
- Unable to Contact a Parent Policy: In the event a Southbury Parks and Recreation employee attempts to contact the parent at pick-up, without success, we follow the following policy: Every 15 minutes, an employee will call the parent/guardian and people from the authorized pick up list for 1 hour. After a hour has passed, we will notify the Southbury Police Department of the situation. It is important that the parent/guardian reviews and updates their MyRec account and camp forms on MyRec to ensure phone numbers and emergency contact numbers are up to date. Also, it is important the parent/guardian communicate with all parties responsible for picking up their child(ren), and are by their phone during the pick-up time. In the event of a medical emergency, our Camp Staff will contact the parent/guardian as soon as possible. If our camp staff is unable to make contact with the parent/guardian right away, and Medical Emergency Services is on the premises, Southbury Parks and Recreation will follow the best medical advice given for the camper (i.e. which hospital to be transported too). Southbury Parks and Recreation staff attempt to make contact with the parent/guardian a second time.
- We suggest all campers bring an extra snack on every trip, including those with lunch provided
- Behavior Skill Building: Camp provides a great opportunity for all children to develop skills and self-confidence. Adventure Day Camp’s behavior policy is intended to help all campers be their best while treating fellow campers, staff and other working personnel with respect. Campers must

remain with their group or in areas designated for their group while at camp and follow the direction of their counselors.

- **Zero Tolerance:** Southbury Parks and Recreation does not tolerate stealing, bullying, foul language, wandering from camper’s assigned group, or causing physical harm to others. Southbury Parks and Recreation reserves the right to remove campers from TeenScape Camp, without refund, if these behaviors are identified and not corrected.
- **Sit-out and Redirection:** Techniques for handling disciplinary problems will be addressed by the Camp Staff and the Camp Director. A camper will sit out of an activity and could have a loss of privileges as the first steps to manage behavior. The camper will then be redirected to an activity that will positively channel the child’s energy. An apology by the camper is expected immediately when problem behaviors occur.
- **Contacting Parents about Behavior of Camper:** The decision to contact a parent will be made once a determination has been made whether or not the camper exhibited an effort to correct the camper’s behavior. Parents will be notified when a camper has been warned about repeated offenses, and will be given a final opportunity to remain in camp. Continued inappropriate behavior will result in the dismissal from camp without a refund.
- **Text Blasts!** Text blasts are a new feature that the MyRec software offers, we ask everyone be patient with the new feature if errors occur. TeenScape Camp plans to utilize this new feature this summer, which will be a great tool to send reminders, or last minute changes, to parents/guardians directly to their phone. This will be useful when we change locations due to weather, or the bus is running late from a field trip. Text blasts will not be used to send photos.
