

Welcome to TeenScape Summer Camp!

Thank you for choosing TeenScape! We are excited to have your child attending the 2026 TeenScape Traveling Day Camp with us this summer! Your camper will be provided with a Teenscape shirt to wear to camp daily. This helps us keep our group together on the field trips. Thank-you in advance for filling out the trip waivers. Please be on the lookout for these in your email, as there could be a week with a different waiver for each day of the week.

TeenScape is filled with many fun trips and new experiences for the campers. Our staff is excited to be able to work with your camper and provide them with a safe and enjoyable summer.

Important TeenScape Policies & Info

- **Drop Off:** Earliest Arrival Time is 8:30am. Latest Arrival Time is 10 minutes before the scheduled bus time. Once we have all of our trips booked, we will provide a more detailed departure and arrival schedule.
- **Camp Absence:** A phone call to our TeenScape Director must be made at least 15 minutes prior to the *departure time* to inform the camp that a camper will not be attending. This allows us to leave on time for each trip.
- **Departure Times:** All campers must be dropped off on time. The camp bus must depart on time to ensure on-time arrival at our destination and our venue time commitment is met. The bus will leave at the precise published departure time; if a camper is not there, the bus cannot wait for that camper.
- **Inclement Weather and Outdoor Trips:** Changes due to weather are dependent on the type of trip and where it is located. Parents/Guardians will receive updated trip information for that specific day via e-mail and the Remind app. We will also post an alert at the top of our MyRec Website in a bright red bar at the top of the page.

- **Pick Up Times:** Some things are out of our control, such as summer storms and traffic which *could affect pick-up times*. If the pick-up time is altered, all parents/guardians will be contacted by the TeenScape staff with updated times.
- **Camp Closes at 4:00pm:** All campers must be picked up by 4:00pm, unless enrolled in after camp.
- **Signing Out:** Each camper must be signed out with the Camp Director at the Pick Up Location by 4:00pm. This is to ensure the safety of every camper and to confirm to the staff that the camper was picked up and accounted for.
- **Going Home with Friends/Non-Guardians:** Campers will only be released to a non-guardian if the Camp Director is notified by the parent/guardian of the camper. This *must* be in the form of an email from the parent/guardian, or a phone call to the TeenScape Director from the Parent/Guardian.
- **Allergies:** If your camper has allergies and requires any medication, such as an epi-pen, the camper is solely responsible for the daily carrying and storing of the medication. TeenScape Staff will not carry nor store any camper medication. If your child has a food allergy, please notify the Southbury Parks and Recreation Department at least 2 weeks before the start of camp and make sure this is listed on your child's general form.
- **After Camp:** All campers participating in after camp must be enrolled in after camp at least 2 weeks before the start date of the selected camp week. After Camp includes both Adventure Day Camp and TeenScape Camp campers (grades 1-9).
- **What to Bring/Wear to Camp:** Campers must wear closed toed shoes and **their camp shirt**. They need to bring a bagged lunch (unless lunch is provided i.e. on Dave & Buster trip days), refillable water bottle, sunscreen, towel, and bathing suit. It is recommended to have all your child's belongings labeled with their name on it.
- **Trip Waivers:** Certain trips that are attended by the TeenScape Camp require waivers from the venue. All waivers will be e-mailed out by the Office Staff, and **MUST** be filled out/completed before the day of the field trip. If waiver forms need to be completed online, confirmation of completed online waiver forms still needs to be emailed.
- **TeenScape Cell Phone & Behavior Policy Form:** This form is located on the last page and must be reviewed with your child before coming to TeenScape.
- **Camp General Form:** This form is available online during your registration process and must be completed upon signing up and paying for the program.
- **Location:** Drop off and pick-up for TeenScape will always be at Ballantine Park near the playground, with the exception of bad weather/heat wave. In the event of weather conditions or other related issues where camp needs to change location, TeenScape will move to Southbury Parks and Recreation's Building at 561 Main Street South.
- **Communication Methods:** Southbury Parks and Recreation Staff will contact families by the TeenScape Cell Phone, the Remind app or through e-mail. Southbury Parks and Recreation recommends that all parents create an account with Remind.com. This communication system can be accessed online or downloaded as an application to a smartphone. This will be the most accurate way to receive information such as location changes and reminders for TeenScape. The code to get into the class for our camp is **@teenscape**.
E-mail blasts will go out to parents from the MyRec website for important updates or location changes as well. Check out the MyRec website for any alerts posted which may include pool

closings, camp delays, and location changes. These alerts will be located at the top of the page in a red bar.

- **Late Pick-up Policy:** Parents/Guardians are expected to pick their children up by the end time of the camp program. Our policy is you will be charged an additional \$15 for every 15 minutes you are late per child, with the time rounded to the closest quarter minute. Southbury Parks and Recreation understands things happen and therefore a 15-minute late arrival grace period will be granted for *first time* situations.
- **Unable to Contact a Parent Policy:** In the event Southbury Parks and Recreation employee’s attempts to contact a child’s emergency contacts after the designated pickup time are not successful, we enact the following policy: Every 15 minutes, an employee will call numbers from the emergency call list for 1 hour. After an hour has passed, we will notify the Southbury Police Department of the situation. It is important that the parent/guardian reviews and updates their household account and camp forms on MyRec to ensure phone numbers and emergency contact numbers are up to date. Also, it is important the parent/guardian communicate with all parties responsible for picking up their children, and are available by phone during the pick-up time.

In the event of a medical emergency, our camp staff will contact the parent/guardian right away. If our camp staff is unable to make contact with the parent/guardian right away, and Emergency Medical Services is on the premises, Southbury Parks and Recreation will follow the best medical advice given for the camper (i.e. which hospital to be transported too). Southbury Parks and Recreation staff will continue to attempt contact with the emergency call list.

- **Snacks:** We suggest all campers bring an extra snack on every trip, including those with lunch provided.
- **Behavior Consequences:** The decision to contact a parent will be made once a determination has been made whether or not the camper exhibited an effort to correct their behavior. Parents will be notified when a camper has been warned about repeated offenses. All behavior reports will be documented electronically. Parent notification will be considered the first offense. If the behavior continues, the camper will be suspended from camp for one day (2nd offense). A third offense will

result in a three day suspension. After the three day suspension, if the behaviors happen again, the camper will be removed permanently from camp for the remainder of the summer. Suspensions or expulsions do not result in refunds.

- **Zero Tolerance:** Southbury Parks and Recreation does not tolerate stealing, bullying, foul language, wandering from camper's assigned group, or causing physical harm to others. Southbury Parks and Recreation reserves the right to remove campers from TeenScape Camp, without refund, if these behaviors are identified and not corrected.
- **Sit-out and Redirection:** Techniques for handling disciplinary problems will be addressed by the Camp Staff and the Camp Director. A camper will sit out of an activity and could lose privileges as the first steps to manage behavior.

Summer Camp Cancellation Policy (Updated)

Registration closes on Fridays 2 weeks before the start of each camp week. **Due to the large number of children on our Waiting list, we will be using this new refund policy:**

Cancellations properly submitted before the registration close date of your child's scheduled week will receive a **full refund**. This time allows adequate opportunity to get another camper enrolled.

Cancellations made **after registration close** for your child's scheduled week will be charged a **25% cancellation fee**. At this time your camper has already been placed into an age appropriate group, we have staffed accordingly, and any changes affect the entire camp.

Cancellations made **within 7 calendar days** of the start of your child's scheduled week will be charged a **50% cancellation fee**. One week before camp starts, field trip tickets have been paid for and it is often too short notice to get someone enrolled from the Waiting list.
